Hello,
My name is Ronald Puckett and I live in Wallingford, CT

I would like to submit a written Testimonial to express how I am against all the new changes in gun and self defense laws being proposed ... I myself, my wife and my 23 year old daughter are all gun owners. With my wife going to work at 5am by herself and my daughter working in Hamden till 11pm I feel they need to be able to protect themselves with any means necessary.

We are on a slippery slope with these new proposed gun laws, where we the law abiding citizens cannot carry/own what we want BUT the criminals DO!

Please consider our family over the criminals
